REQUEST FOR PROPOSALS (RFP)

CONSULTANCY SERVICES FOR DEVELOPMENT OF FIVE-YEAR STRATEGIC PLAN

The KUHeS-Johns Hopkins Research Project (JHP), an established clinical research site in Blantyre and a research affiliate of Kamuzu University of Health Sciences, invites qualified consultants to submit proposals to lead and facilitate development of its Five-Year Strategic Plan for 2027-2031.

THE ASSIGNMENT WILL INCLUDE:

- Institutional and environmental assessment, including stakeholders, capabilities, research portfolio, funding and risk analyses.
- Consultations and strategic planning work sessions with relevant stakeholders.
- Development of the strategic direction, monitoring, evaluation and learning framework, business development, risk register and first-year operational plan.

CONSULTANT PROFILE: Relevant master's degree; at least eight years' relevant professional or consulting experience; and a proven record of at least three comparable strategic planning assignments. Experience with clinical research, public health, universities, and/or research sponsors is highly desirable.

Estimated assignment period: 24 August to 16 October 2026.

Proposals must be prepared and submitted strictly in accordance with the detailed bidding document and received by the closing date and time stated above.
